

How to Get Involved

Jesus didn't intend his Great Commission for just a sub-group of his followers, but for everyone who knows him as their Savior. He calls every believer to play a role in finishing the task. Connect with the 24:14 Community and join the effort!

No matter how you'd like to be involved with 24:14, the first step is to connect with us. Anyone who agrees with 24:14's four values, outlined below, can be a part of the 24:14 Community.

24:14's VALUES

24:14 is an open-membership community committed to four things:

1. Fully reaching the **UNREACHED** peoples and places of the earth
2. Reaching them through **CHURCH PLANTING MOVEMENT** strategies
3. Engaging them through movement strategies with **URGENT SACRIFICE** by 2025
4. **COLLABORATING** with others in the 24:14 movement so we can make progress together

24:14 is a global community praying and working together to start kingdom movement engagements in every unreached people and place by 2025.

We are a global community of individuals, teams, mission organizations, church networks, mission networks, and church planting movements fully submitted to Christ and devoted to seeing His Name worshipped in every corner of the world.

OUR VISION: No more unreached peoples and places – every person with access to the gospel and the church in every tribe, tongue, nation, language, and place

OUR MISSION: Kingdom movements in every unreached people and place

OUR INITIAL GOAL: Movement engagements in every unreached people group and place by December 31, 2025

To see this come to fruition, we are unified in commitment to four priorities:

1. REACHING THE UNREACHED

We are trusting God to use our generation to fully reach multitudes from every tribe, tongue, people and nation with the glorious news of Jesus Christ. This is an ambitious, God-sized goal and we're relying on Him to see it to fruition.

2. CHURCH PLANTING MOVEMENTS

We see God at work in the world through movements and are joining Him in launching church planting movements in every unreached people group and place.

"It's all about Jesus' glory and He is being robbed of worship in thousands of places."

–STEVE SMITH

3. URGENCY

We are catalyzing these kingdom movements with wartime urgency to engage every unreached people group and place with the gospel by December 31, 2025 ... no matter the cost. Together, we are mobilizing prayer, resources, manpower and more to this end.

4. COLLABORATION

We are working across denominations and organizations to share information and resources with one another, seeking to truly be the Body of Christ by collaborating together to more effectively reach the lost.
